**Warwick Credit Union Warwick Cup - SCOTS PGC College PSA College Reunion - Tartan & Tweed Race Day**

The Scots PGC College has a proud history of community spirit and determination. It also has a long and proud tradition of valuing our past students and contributing to the school, community and country. In more than 100 years of history, the school community has overcome many challenges, from wars to the current global COVID-19 pandemic.

For the Past Students Association, the pandemic affected our intentions to celebrate our Annual Reunion Weekend in 2020. Unfortunately, continued COVID-19 restrictions have again impacted our plans. After consultation between The SCOTS PGC College and The SCOTS PGC College – Past Student Association Directors, we have made the difficult decision to postpone our 2021 Annual Reunion Weekend, to be held on October 9 & 10.

All those who have purchased tickets will receive a refund, and we hope to have a fantastic 2022 of events ending with a massive combined 2020,2021 and 2022 Reunion.

The Annual Past Students Association AGM will be held online at 10am on November 28 2021. If you would like to attend, please email [roxana.paterson@scotspgcpa.com.au](mailto:roxana.paterson@scotspgcpa.com.au).
